

## **“SGR” PACKAGED LIFT STATIONS**

Topp Industries offers a complete line of packaged lift stations using the  
**SGR Rail System**

Discharge piping and valve material will vary (i.e. PVC, galvanized or stainless steel pipe), depending on which package is selected.

**Items not included in package:** pump(s), floats or control panel.

*Items included in each system are listed below:*

<b>Simplex Systems</b>	<b>Duplex Systems</b>
Simplex Studs	Duplex Studs
Composite Electrical Coupling	Composite Electrical Coupling
Industrial Enameled/Stainless Steel Discharge Coupling	Industrial Enameled/Stainless Steel Discharge Coupling
Composite Vent Coupling	Composite Vent Coupling
SGR Guide Rail Disconnect	SGR Guide Rail Disconnects
Stainless Steel Cable	Stainless Steel Cables
1½" OD Stainless Steel Guide Rails	1½" OD Stainless Steel Guide Rails
Discharge Pipe	Discharge Pipe
Cast Iron Ball Check Valve	Cast Iron Ball Check Valves
Gate Valve	Gate Valves
Valve Extension Handle	Valve Extension Handles
Elbows	Elbows
Union	Unions
	Tee

## FREEFLO™ PACKAGED LIFT STATIONS

Topp Industries offers a complete line of packaged lift stations using the  
**Freeflo™ Rail System**

Discharge piping and valve material will vary (i.e. PVC, galvanized or stainless steel pipe), depending on which package is selected.

*Items not included in package: pump(s), floats or control panel.*

*Items included in each system are listed below:*

Simplex Systems	Duplex Systems
Simplex Studs	Duplex Studs
Composite Electrical Coupling	Composite Electrical Coupling
Industrial Enameled/Stainless Steel Discharge Coupling	Industrial Enameled/Stainless Steel Discharge Coupling
Composite Vent Coupling	Composite Vent Coupling
Freeflo™ Base Elbow	Freeflo™ Base Elbows
Upper Guide Rail Bracket	Upper Guide Rail Brackets
Intermediate Guide Rail Bracket (for basins 15' and deeper)	Intermediate Guide Rail Brackets (for basins 15' and deeper)
Stainless Steel Chain	Stainless Steel Chains
¾" OD Stainless Steel Guide Rails	¾" OD Stainless Steel Guide Rails
Discharge Pipe	Discharge Pipe
Cast Iron Ball Check Valve	Cast Iron Ball Check Valves
Gate Valve	Gate Valves
Valve Extension Handle	Valve Extension Handles
Elbow	Elbows
Union	Unions
	Tee

## **BASE ELBOW PACKAGED LIFT STATIONS**

Topp Industries offers a complete line of packaged lift stations using the  
**Base Elbows**

Guiderail, discharge piping and valve material will vary (i.e. PVC, galvanized or stainless steel pipe), depending on which package is selected.

**Items not included in package:** pump(s), floats or control panel.

*Items included in each system are listed below:*

<b>Fiberglass Basin</b>	<b>Fiberglass Basin with Valve Box</b>
Duplex Studs	Duplex Studs
<i>Cover not included</i>	Steel or Aluminum Valve box Cover
Composite Electrical Coupling	Composite Electrical Coupling
Industrial Enameled/Stainless Steel Discharge Coupling or Aluminum Sleeve with Linkseals	Aluminum Sleeves w/ Linkseals for Discharge
Composite Vent Coupling	Composite Vent Coupling
	Lifting Lugs
Base Elbows	Base Elbows
Upper Guiderail Brackets	Upper Guiderail Brackets
Intermediate Guiderail Brackets (for basins 15' and deeper)	Intermediate Guiderail Brackets (for basins 15' and deeper)
Stainless Steel Chains	Stainless Steel Chains
Guiderails	Guiderails
Discharge Pipe	Discharge Pipe
Swing or Ball Check Valves	Swing or Ball Check Valves
Gate Valves	Gate Valves
Gate Valve Extension Handles	PVC Valve box Gravity Drain w/ Check Valve
Elbows	Elbows
Unions	Unions
Tee	Tee

## PACKAGED LIFT STATIONS WITH CUSTOMER SUPPLIED BASE ELBOWS

Topp Industries offers a complete line of packaged lift stations using the

### Customer Supplied Base Elbows

Guiderail, discharge piping and valve material will vary (i.e. PVC, galvanized or stainless steel pipe), depending on which package is selected.

**Items not included in package:** pump(s), base elbows, guide rail brackets, floats or control panel.

*Items included in each system are listed below:*

Fiberglass Basin System	Fiberglass Basin with Valve Box
Duplex Studs	Duplex Studs
<i>Cover not included</i>	Steel or Aluminum Valve box Cover
Industrial Enameled/Stainless Steel Electrical Coupling	Industrial Enameled/Stainless Steel Electrical Coupling
Industrial Enameled/Stainless Steel Discharge Coupling or Aluminum Sleeve with Linkseals	Aluminum Sleeves w/ Linkseals for Discharge
Industrial Enameled/Stainless Steel Vent Coupling	Industrial Enameled/Stainless Steel Vent Coupling
	Lifting Lugs
Stainless Steel Chains	Stainless Steel Chains
Guiderails	Guiderails
Discharge Pipe	Discharge Pipe
Swing or Ball Check Valves	Swing or Ball Check Valves
Gate Valves	Gate Valves
Gate Valve Extension Handles	PVC Valve box Gravity Drain w/ Check Valve
Elbows	Elbows
Unions	Unions
Tee	Tee
