THE DETAILS

Just another reason why Topp Industries, Inc. is the leader in the sump and sewage industry. This labor saving idea will have every thing you need to complete your job, everything except the pump.

The **JOB READY PACK** is shrink packed for an easy point of purchase display right at your counter, in turn this eliminates the extra cost on pulling product from the warehouse.

Contact your local Sales Agency or a member of the Topp Sales Staff about other package combinations such as 2-pc simplex cover, 1-1/4" discharge pipe, 1-1/4" to 1-1/2" Combination Full Flow Check Valve (Made in the USA).
