

# Super Blue

twice the thickness – twice the weight

- ✓ First to be approved for the Chicago city limits with our filament wound fiberglass basin...now we present “**Super Blue**” – a heavy wall polyethylene basin.
- ✓ Our “**Super Blue**” poly basin is twice the weight of standard single wall units and is lighter than fiberglass.
- ✓ “**Super Blue**” polyethylene or filament wound fiberglass basin packages are ready for any jobsite.
- ✓ Freight **PREPAID** on 50 basins & covers.
- ✓ We stand committed to you...we offer a large in-stock inventory and deliver to Chicago two or three times each week.
- ✓ Great competitive pricing & customer service.
- ✓ Custom work is also available.
