

PRODUCTION SUPERVISOR

Job Description

ABOUT US

A proven leader in sewage, sump and wastewater markets, TOPP Industries, Inc. offers high-quality environmentally responsible products, including fiberglass, polyethylene and structural foam basins, tanks, basin and tank covers, lift stations, septic tank risers, extensions and accessories.

Getting its start out of a 500 square foot garage in Rochester, Indiana, TOPP was started from humble beginnings – and only a few employees. Since that time, TOPP has grown to an internationally recognized brand with over 130 employees and over 300,000 square feet of manufacturing space.

At TOPP, we're invested in your future. We pride ourselves on being an organization that allows all of our employees to grow, develop and truly be a part of the TOPP family. We are also dedicated to supporting our local community and the people that live here. TOPP offers a competitive benefits package for full-time, eligible employees including paid health benefits and life insurance, prescription drug plans, 401K with a company match, paid vacation/holidays and more.

JOB DESCRIPTION

TOPP Industries, Inc. in Rochester, Indiana is looking for an experienced Production Supervisor to help lead our team on 1st shift. This supervisor position would be hands on in our growing staff of employees.

ROLES AND RESPONSIBILITIES

The ideal candidate will have the ability to:

- Establish and monitor overall plant performance for production and quality standards
- Control and monitor overall plant performance
- Provide leadership to accomplish company goals and objectives
- Provide direction, development, and leadership to production staff
- Provide hands-on assistance to production lines
- Maintain inventory of product to meet company goals
- (Fiberglass experience would be helpful, but is not a must)
- Plumbing experience preferred, but not required

Job Type: Full-time
