

DESCRIPTION	PART No.
<b>UNISEAL</b>	
<p><b>A Positive Pipe-to-Tank Seal for Flat or Curved Surfaces</b></p> <p>Topp Industries has developed UNISEAL PIPE SEALS, based on the needs and demands of the industries they serve. These seals are designed for holding tanks but work well in any application where pipe penetrations are required. Perfect for hydroponic growers, pond suppliers, and reef and marine industries. UNISEAL PIPE SEALS quickly create a secure watertight seal without any adhesive, hardware or threads and can be used through the walls of any container or filter box.</p> <p>A lubricant is also available to ease the installation of UNISEAL PIPE SEALS and is used to coat the interior surface of the UNISEAL PIPE SEALS and the exterior of the pipe. An adhesive for a petroleum resistant bond between the UNISEAL PIPE SEALS and fiberglass, polyethylene and metals is also offered.</p> <p>Other UNISEAL PIPE SEALS applications include wastewater lift stations, valve boxes, sump risers, pump stations, dispenser pans, junction boxes cooling systems and boats.</p> <ul style="list-style-type: none"> <li>• Models available for accommodating 3/8" piping (through 1" hole) up to 6" piping (through 7" hole)</li> <li>• Easy installation</li> <li>• Tough, pliable thermoplastic material</li> <li>• Excellent resistance to most chemical compounds, petroleum products, methanol, ethanol and most soil compounds</li> <li>• Ideal for use with PVC, galvanized steel, copper, EMT, rigid conduit, fiberglass and polyethylene pipe</li> </ul>	<p>Pipe Seal for 3/8" Piping (.0675" OD), Through 1" Hole U038</p> <hr/> <p>Pipe Seal for 1/2" Piping (.0840" OD), Through 1 1/4" Hole U050</p> <hr/> <p>Pipe Seal for 3/4" Piping (1.050" OD), Through 1 1/4" Hole U075</p> <hr/> <p>Pipe Seal for 1" Piping (1.315" OD), Through 1 3/4" Hole U100</p> <hr/> <p>Pipe Seal for 1 1/4" Piping (1.660" OD), Through 2" Hole U125</p> <hr/> <p>Pipe Seal for 1 1/2" Piping (1.900" OD), Through 2 1/2" Hole U150</p> <hr/> <p>Pipe Seal for 2" Piping (2.375" OD), Through 3" Hole U200</p> <hr/> <p>Pipe Seal for 2" Piping (SDR35 Pipe), Through 3" Hole U200-35</p> <hr/> <p>Pipe Seal for 1 1/4" Piping (1.660" OD), through 3" Hole U200-125</p> <hr/> <p>Pipe Seal for 1 1/2" Piping (1.900" OD), Through 3" Hole U200-150</p> <hr/> <p>Pipe Seal for 3" Piping (3.500" OD), Through 4" Hole U300</p> <hr/> <p>Pipe Seal for 2" Piping (2.375" OD), through 4" Hole U320</p> <hr/> <p>Pipe Seal for Piping w/a 3.900" OD, Through 5" Hole U390</p> <hr/> <p>Pipe Seal for 4" Piping (4.500" OD), Through 5" Hole U400</p> <hr/> <p>Pipe Seal for 4" x SDR35 Piping (4.330" OD),Through 5" hole U400-35</p> <hr/> <p>Pipe Seal for 3" Piping (3.500" OD), Through 5" Hole U430</p> <hr/> <p>Pipe Seal for Piping w/a 4.900" OD, Through 5 1/2" Hole U490</p> <hr/> <p>Pipe Seal for Piping w/a 5.900" OD, Through 7" Hole U590</p> <hr/> <p>Pipe Seal for 6" Piping (6.625" OD), Through 7" Hole U600</p> <hr/> <p>Pipe Seal for 6" x SDR35 Piping (6.299" OD),Through 7" Hole U600-35</p> <hr/> <p>Electric Cord Grommet, Seals up to 3 cords Through a 2" Hole UECG</p>
