

18" Super Seal

Our **18" Super Seal** is our innovative approach to a cleaner, more efficient install process. Our Super Seal is gas tight, keeping radon and other harmful elements in. With our Super Seal, there's no longer a need for that pesky sticky tape! Say goodbye to sticky installs and hello to the Super Seal.

Part number: GS18

Features Include:

- 18" injection molded, flexible gasket seal
- Gas tight, fitted seal keeps odors inside
- 8 notches that fit perfectly into the drill holes of our Structural Foam basins and our Clear View Cover
